## From the President

First off, many thanks to all of the residents who helped to make the purchase of the Patch Hill conservation land a resounding success! Your support at Town Meeting and at the polls was invaluable. The BCT is proud to have been a part of this important conservation purchase, and proud to have been part of a terrific team that included many town residents acting in many capacities.

We have more work to do. The Boxborough Conservation Trust would love to have you as a member. We welcome membership at any level of support. While we encourage member participation in conservation activities, we also recognize that not everyone's schedule permits active participation. If you are not a member, we hope you will join us by completing the membership registration form below. If you are already a member, thank you. Please consider helping BCT replenish its treasury with an additional contribution or by supporting our Fifer's Day fundraiser. We will be raffling off a great pair of Red Sox Tickets, a kayak, and a really huge stuffed animal. The bottom line is, we would be grateful for your support in any form you can give it.
